The practice

In this session, industry leaders and legal tech experts explore how artificial intelligence (AI) is transforming litigation practice across three distinct levels: supportive, replacement and disruptive technology. At the support level, AI assists lawyers in performing time-intensive tasks such as document review, legal research and discovery, enabling faster and more accurate outputs without altering core legal processes. Moving to replacement technology, AI tools begin to substitute traditional roles, automating contract review, case analysis and even initial brief drafting. Finally, the panel will delve into disruptive AI, which fundamentally changes the litigation landscape. With advances in predictive analytics and complex AI systems capable of analysing case outcomes, AI could soon challenge existing workflows, potentially making some traditional litigation roles obsolete. By combining insights from academia, hands-on practice and technology development, this panel offers a nuanced view of how each level of AI impacts the legal landscape, equipping attendees with diverse perspectives on adopting and adapting AI in their practices.

In this interactive panel discussion, lawyers on the leading edge of the artificial intelligence (AI) revolution will discuss how AI is shaping the practice of law and dispute resolution, with a particular focus on how AI may support access to justice across the legal profession. Issues to be considered with include how AI is shaping the resolution of consumer disputes; how courts and other dispute resolution systems are using AI to improve access to justice; how privacy and legal privilege concerns arising with the use of AI in dispute resolution are being addressed; and how large law firms are utilising AI to make efficiency gains that benefit their clients.

We regret that no refunds can be made after this time. Conference or social function bookings received after this time will not be eligible for any refund of fees. Payment

When booking the Conference, full payment of the booking fee is required at the time we accept your booking.

VAT will be added to delegate fees as appropriate. Our prices may change at any time, but any price change will not affect bookings that we have confirmed with you. Booking fees for the Conference can only be paid in the booking fee currency listed above.

Credit card payments: The IBA accepts these payment methods: American Express, Diners, Discover, JCB, Maestro, Mastercard, UnionPay, and Visa. Payments from local or affiliate services linked to these providers can also be made through the IBA website.

It is the responsibility of the cardholder to ensure that the card's security details are ready and to check that there is a sufficient balance on the card for the payment to complete.

All fees payable to us by you in relation to the Conference shall be paid free and clear of all deductions or withholdings whatsoever.

If any deductions or withholdings are required by law to such fees, you shall pay such sum as will, after the deduction or withholding has been made, leave us with the same amount as we would have been entitled to receive in the absence of any such requirement to make a deduction or withholding.

Travel arrangements and visas

Participants are responsible for making their own travel arrangements to attend the Conference. It is recommended that you check any visa requirements with your local embassy or consulate. In particular, participants should inform themselves of the entry requirements (i.e. visa requirements) of the event location and complete the necessary formalities in good time before the event begins. The IBA will not be liable if a visa application is denied, a visa is received too late to attend, or if a delegate is not able to travel to the Conference for any other reason.

We are unable to dispatch visa invitation letters to support your visa application prior to receipt of your booking form and full payment of conference fees.

Please apply for your visa in good time.

Carbon efficient travel

With IBA conferences taking place in major business centres all over the world, travel is an unavoidable reality for our delegates. The IBA encourages its members and delegates to be responsible and conscious of the impact travel has on the environment and to take measures to reduce the carbon impact of their travel.

Some suggested steps that delegates can take include:

- Travel by train instead of flying if possible.
- Book direct flights instead of connecting flights, if available, as limiting the number of stops needed will reduce your carbon footprint.
- Consider the impact of the travel class that you book – business class travel equates to 3 times the carbon footprint of economy class.

Relying on the local public transport is the more carbon friendly option, but this is not always a realistic option. Where reliance on taxis/cars is needed use electric vehicles over petrol or diesel and share vehicle usage with other delegates and colleagues.

Badges

For security reasons, name badges are required to be worn visibly at all times during the Conference and at any IBA organised social function linked to the Conference. Proof of identity is required to collect your badge and for a replacement badge to be issued. Checks will be in place and staff will challenge delegates not wearing a valid conference badge. Anyone not wearing a badge must get a replacement badge from IBA staff or will be required to leave the venue immediately. Anyone found wearing a badge that they are not entitled to wear will have the badge removed and will be required to leave the Conference.

All conference bookings are non-transferable and cannot be resold, transferred or passed on to another person, whether for commercial gain or otherwise.

Name badges can only be used by the booked attendee to access the event or social function; name badges cannot be shared or borrowed by any other person, whether registered for the event or otherwise.

Any breach of these terms will result in the booked attendee being required to leave the event / social function with immediate effect and the cancellation of their booking without reimbursement or refund of any previously paid fees.

Dietary requirements

The IBA endeavours to accommodate all special dietary requests confirmed to us before bookings close. Requests made after this time cannot be guaranteed and all dietary requests are subject to local availability (which is outside the IBA's control).

Photography and filming

Certain sessions and social functions at an IBA Event may be photographed or filmed and some of this content may be used for future IBA marketing materials, member communications, products or services. Should you have any concerns about this, or if you do not wish to be featured in any of these materials, please contact the IBA Marketing Department at ibamarketing@int-bar.org.

No participant, attending in any capacity, is authorised to record or film the conference working sessions, workshops or social function without the prior written permission of the Conferences Director.

Illness

You will not attend the Conference if you are displaying symptoms of a communicable disease. Should you develop symptoms during your attendance, you will inform a member of IBA staff by email (Sohyun.kwon@int-bar.org) and you agree not to attend any further sessions or related events and to comply with all local and national restrictions.

You agree that, if asked by the relevant local or national authorities, the IBA has permission to pass on your personal information and contact details to those authorities should contact tracing be required.

Promotional literature

No individual or organisation may display or distribute publicity material or other printed matter during an IBA Event, unless by prior arrangement with the IBA. Organisations and companies wishing to discuss promotional opportunities should contact the IBA Sponsorship Department at sponsorship@int-bar.org.

Conference sell-outs

The IBA hosts conferences in venues of a suitable size for each event; however, there are times when a conference may sell out and the IBA cannot guarantee places will be available. Should this happen, prospective delegates will be informed, and a waiting list will operate. The waiting list will function on a 'first come, first served' basis, subject to receiving booked delegate cancellations. The waiting list for the Conference will close once the waiting list has reached ten per cent of the venue capacity, as it is very unlikely a place will become available. IBA will not be liable for any expenses or costs incurred by you (including travel and accommodation costs) in relation to attendance at the Conference, including if you travel to the Conference without a confirmed place).

Harassment

Conferences provide unrivalled professional development and network-building opportunities for international legal practitioners and their professional associates. The IBA values the participation of every delegate and member of the IBA and wants all attendees to have an enjoyable and fulfilling experience. Accordingly, all Conference attendees are expected to show respect and courtesy to other attendees, IBA staff and those involved with hosting the events throughout the Conference and at all events, receptions, and parties, whether officially organised by the IBA or others. All delegates, guests, attendees, speakers, exhibitors, staff and volunteers at the Conference are required to conform to the IBA Harassment Policy. See www.ibanet.org/iba-harassment-policy.

Cancellation by the IBA

We may at any time, with or without giving notice, in our absolute discretion and without giving any reason, cancel or postpone the Conference, change its venue or any of the other published particulars, or withdraw any invitation to attend. In any case, we will not be liable for any loss, liability, damage or expense suffered or incurred by any person, nor will we return any money paid to us in connection with the Conference unless we are satisfied not only that the money in question remains under our control but also that the person who paid it has been unfairly prejudiced (as to which, decision shall be in their sole and unfettered discretion and, when announced, final and conclusive).

The IBA shall have no liability to you, for a refund or otherwise, where the IBA is forced to cancel or reschedule part or all of the Conference due to reasons beyond our reasonable control. However, refunds may be paid at IBA's discretion.

IBA will be entitled to change the venue and make minor changes to the timing and content of the Conference.

The IBA, its officers and staff accept no responsibility for any views expressed, presentations or materials produced by delegates or speakers at the Conference.

International Bar Association

the global voice of the legal profession

About the IBA

The International Bar Association (IBA), established in 1947, is the world's leading organisation of international legal practitioners, bar associations, law firms and law societies.

The IBA influences the development of international law reform and shapes the future of the legal profession throughout the world. It has a membership of more than 80,000 individual lawyers and more than 190 bar associations and law societies spanning over 170 countries.

Inspired by the vision of the United Nations, the IBA was founded in the same spirit, just before the Universal Declaration of Human Rights was proclaimed in 1948.

The IBA covers all practice areas and professional interests, providing members with access to leading experts and up-to date information, enabling them to better represent their clients' interests.

Through its various committees, fora, and task forces, the IBA facilitates the exchange of information and views among its members as to laws, practices and professional responsibilities relating to the practice of law around the globe.

IBA Litigation Committee

The Litigation Committee focuses on the legal, practical and procedural issues involved in conducting litigation. The issues arising in international litigation receive particular attention, including issues such as jurisdiction, choice of law, and the role of international judicial assistance in dispute resolution. Find out more via the tabs below.
