0900 – 1020 **SESSION ONE**

Amending FIDIC conditions

There is plenty of advice against amending standard forms. However, the reality is that parties cannot resist amendments, particularly as amendments may be required by funders or to address aspects of the applicable law. The panel will discuss the pros and cons of amendments to FIDIC conditions which they have seen agreed.

Project execution sessions

1340 – 1510 **SESSION ONE**

The importance of the applicable law: how far do lawyers from civil law and common law backgrounds view the same construction law issues differently?

Following the popularity of this session at the previous editions of this conference, delegates and panellists will work through a new case study explaining how they view the same construction law issues. The interactive case study will seek to highlight issues which are particularly affected by the applicable law.

Session chairs

Rouven Bodenheimer *BODENHEIMER, Cologne*

Rupert Choat KC *Atkin Chambers, London*

Panellists

Katherine Bell *Schellenberg Wittmer, Zurich*

Jesse Gardner *Singleton Urquhart Reynolds Vogel, Toronto, Ontario*

Xingyu Huang *Zhong Lun Law Firm, Hong Kong*

David Hume *Shearman & Sterling, Abu Dhabi*

1510 – 1530 **Coffee/tea break**

1530 – 1630 **SESSION TWO**

Constructive acceleration

It is often difficult to successfully pursue a claim for the costs of accelerating because an extension of time has not been granted that should have been. What are the challenges and how best are they overcome? The panel will provide a list of recommendations for discussion with delegates.

Session Chair

Albert Bates Jr *Troutman Pepper Hamilton Sanders, Pittsburgh, Pennsylvania*

Panellists

Tony Dymond *Debevoise & Plimpton, London*

Daewoong Lee *Kim & Chang, Seoul*

Anamaria Popescu *Berkeley Research Group, Pine, Colorado*

1630 – 1750 **SESSION THREE**

Jurisdictions of interest when defending calls against on-demand bonds

When a call on a demand guarantee (or 'on demand bond') is anticipated or in fact made, which jurisdictions are of interest to those trying to defend the call? The panellists will consider such jurisdictions and judgments issued by their courts. They will consider if there are preferred jurisdictions for those trying to defend calls against demand guarantees.

Session Chair

Michael Valo *Glaholt Bowles, Toronto, Ontario*

Panellists

Thais Fernandes Chebatt *Pinheiro Neto Advogados, São Paulo*

Akihiro Hironaka *Nishimura & Asahi, Tokyo*

Dispute resolutions sessions

0900 – 1020 **SESSION ONE**

Reinvigorating independence in expert evidence

It is commonly accepted that party appointed experts in arbitrations should give independent and impartial evidence. The perception, if not also the reality, is that this often does not happen. What, if anything, can be done? The panel will present its recommendations for discussion with delegates.

Session Chair

Alexis Mourre *Mourre Gutierrez Chessa Arbitration, Paris*

Panellists

Lynette Chew *CMS Singapore & CMS Holborn Asia, Singapore*

Peter Fogh *Plesner, Copenhagen*

Kristoffer Löf *Mannheimer Swartling, Stockholm*

Graham Lovett *Akin Gump Strauss Hauer & Feld, Dubai*

1020 – 1040 **Coffee/tea break**

1040 – 1140 **SESSION TWO**

Addressing high volumes of low value claims in construction arbitration

Construction disputes often include many low value claims (eg, low value variations which are disputed in principle and/or quantum). Addressing them like other claims risks disproportionate costs. What are the options for addressing such claims (eg, sampling)? The panel will produce a menu of options and debate their advantages and disadvantages.

Session Chair

Bernd Ehle *Lalive, Geneva*

Panellists

Nils Brammer *Standardkessel Baumgarte, Mülheim*

Jane Davies Evans *3 Verulam Buildings, London*

Matei Purice *Freshfields, Paris*

1140 – 1240 **SESSION THREE**

When it all ends in disaster...

We each have a 'friend' who has worked on a big claim which was dismissed. What common lessons can be learned from discussing our friends' unsuccessful cases? The panel will present a list for discussion with delegates, who are asked to bring tales of their friends' unsuccessful cases to this session.

Session Chair

Virginie Colaiuta *LMS Legal, London*

Panellists

James Doe *Herbert Smith Freehills, London*

Jonathan Taunton *Squire Patton Boggs, Atlanta, Georgia*

Alfredo Yañez Matesanz *Acciona, Madrid*

1240 – 1255 **Closing remarks**

Rouven Bodenheimer *BODENHEIMER, Cologne*

Rupert Choat KC *Atkin Chambers, London*

No deductions or withholdings

All fees payable to us by you in accordance with the terms contained in this 'Information' section shall be paid free and clear of all deductions or withholdings whatsoever.

If any deductions or withholdings are required by law to be made from any fees payable to us by you under the terms contained in this 'Information' section you shall pay such sum as will, after the deduction or withholding has been made, leave us with the same amount as we would have been entitled to receive in the absence of any such requirement to make a deduction or withholding.

If we obtain the benefit of any tax credit or other relief by reference to any such deductions or withholdings, then we shall repay to you such amount as, after such repayment has been made, will leave us in no worse position than we would have been had no such deductions or withholdings been required.

Conference sell-outs

The IBA places its conferences in venues of a suitable size for each event; however, there are times when our conferences may sell out. Should this happen, prospective delegates will be informed and a waiting list will operate. The waiting list will function on a 'first come, first served' basis, subject to receiving registered delegate cancellations. The waiting list for a conference will close once it has reached ten per cent of the conference venue capacity, as it is very unlikely a place will become available. The IBA will not be liable for any travel or accommodation expenses incurred by an individual who travels to a conference without a confirmed place at the event.

Travel arrangements and visas

Participants are responsible for making their own travel arrangements. It is recommended that you check your visa requirements with your local embassy or consulate. **We are unable to dispatch visa invitation letters to support your visa application prior to receipt of your registration form and full payment of registration fees.**

Please apply for your visa in good time.

Photography and filming

Certain sessions and/or social functions may be photographed and/or filmed and some of this content may be used for future IBA marketing materials, member communications, products or services. Should you have any concerns with regard to this, or do not wish to be featured in any of these materials please contact the IBA Marketing Department at ibamarketing@int-bar.org.

Promotional literature

Please note that no individual or organisation may display or distribute publicity material or other printed matter during the Conference, unless by prior arrangement with the IBA. Organisations and companies wishing to discuss promotional opportunities should contact the IBA Sponsorship Department at sponsorship@int-bar.org.

SWIFT address NWBKGB2L, IBAN GB58NWBK60721106570631

Please ensure that a copy of the bank transfer details is attached to your registration form.

Online credit card payments: by Visa, MasterCard or American Express. No other cards are accepted.

PLEASE ENSURE THAT YOUR NAME AND '(CON2275BERLIN)' APPEAR ON ANY TRANSFER OR DRAFT.

Cancellation of registration or social functions

If cancellation is received in writing at the IBA office by **Friday 3 March 2023**, fees will be refunded less a 25 per cent administration charge. Refunds will be made minus any monies owed to the IBA.

We regret that no refunds can be made after this date. Registrations or social function bookings received after **Friday 3 March** will not be eligible for any refund of fees. Please note that the IBA will however offer a full refund if you are required to cancel your registration due to Covid related reasons; we will require written confirmation of your cancellation by the end of business on the first day of the conference.

Should you have difficulties in obtaining your visa and are not able to attend the Conference this cancellation policy will still apply.

Upon submission of your completed Conference registration form to the IBA you are considered 'registered' pending payment. Please note that the cancellation terms and conditions as indicated will apply as soon as your registration is received.

Provided you have cancelled your registration to attend an IBA Conference in accordance with the terms of the 'cancellation of registration' clause included in the 'Information' section of the relevant Conference programme, you must then confirm to us in writing at the IBA office as soon as possible, but in no event later than one year (12 calendar months) from the date of any such Conference, all necessary details to enable any reimbursement owed to you to be paid. We regret that no refunds will be made after the date that is one year (12 calendar months) after the date of the relevant Conference.

Hotel accommodation

A limited number of rooms have been reserved at the Hotel de Rome for the nights of Thursday 16th March and Friday 17th March 2023:

The following rates are per room, per night and inclusive of buffet breakfast, service charges and local taxes.

Classic King room: €290

Please contact the hotel directly to make a reservation and quote International Bar Association. The hotel requires a credit card number to secure your reservation.

Cancellation and no-show policy

Please note that in the event of any cancellations or no-shows, rooms will be charged to the individual guest's credit card given at the time of booking.

Please note that any reservation made after 2 February 2023 will be subject to availability and cannot be guaranteed at the special IBA rate.

As a limited number of rooms have been blocked at the hotel, availability cannot be guaranteed once the room block is full.

Delegates are responsible for making accommodation reservations directly with the hotel and entering into an agreement with the hotel regarding credit card guarantees, cancellation terms and conditions, and room rates (should these differ from the special IBA rate). The IBA cannot accept responsibility for hotel accommodation disputes between a delegate and the hotel.

Unauthorised accommodation agents

It has been brought to our attention that there are multiple companies contacting past attendees, claiming to represent the IBA, offering 'assistance' with registration and hotel bookings.

They are operating by cold-calling and spamming companies whose names have appeared on previous List of Participants, Programmes and Sponsorship recognition. The only Accommodation Agent the IBA works with is Judy Lane ICS. Judy Lane ICS do not contact delegates on behalf of the IBA without delegates making initial contact. Please ignore any communication that does not come directly from the IBA or Judy Lane ICS.

Disabled access

The Hotel de Rome is wheelchair accessible. Please notify us if you require special assistance.

The organisers may at any time, with or without giving notice, in their absolute discretion and without giving any reason, cancel or postpone the Conference, change its venue or any of the other published particulars, or withdraw any invitation to attend. In any case, neither the organisers nor any of their officers, employees, agents, members or representatives shall be liable for any loss, liability, damage or expense suffered or incurred by any person, nor will they return any money paid to them in connection with the Conference unless they are satisfied not only that the money in question remains under their control but also that the person who paid it has been unfairly prejudiced (as to which, decision shall be in their sole and unfettered discretion and, when announced, final and conclusive).

Continuing Professional Development/Continuing Legal Education

For Conference delegates from jurisdictions where CPD/CLE is mandatory, the IBA will provide a Certificate of Attendance for the Conference. Subject to CPD/CLE requirements, Conference delegates can use this to obtain the relevant number of hours' accreditation. A Certificate of Attendance is available to Conference delegates on request. Please ask at the IBA Conference registration desk for information on how to obtain the certificate.

International Bar Association

the global voice of the legal profession

The International Bar Association (IBA), established in 1947, is the world's leading organisation of international legal practitioners, bar associations, law firms and law societies.

The IBA influences the development of international law reform and shapes the future of the legal profession throughout the world. It has a membership of more than 80,000 individual lawyers and more than 190 bar associations and law societies spanning over 170 countries.

Inspired by the vision of the United Nations, the IBA was founded in the same spirit, just before the Universal Declaration of Human Rights was proclaimed in 1948.

The IBA covers all practice areas and professional interests, providing members with access to leading experts and up-to date information, enabling them to better represent their clients' interests.

Through its various committees, fora and task forces, the IBA facilitates the exchange of information and views among its members as to laws, practices and professional responsibilities relating to the practice of law around the globe.

IBA International Construction Projects Committee

The ICP Committee is for lawyers interested in construction law and in exchanging experiences from construction projects around the world. All aspects and types of construction and engineering projects are dealt with, from traditional building and civil engineering contracts to state-of-the art project finance infrastructure projects. The Committee has something to offer both those active on their domestic market as well as those involved in overseas projects.

Together, our members constitute a vast source of experience in contentious and non-contentious construction contract issues from all parts of the world. The Committee meets annually at the main IBA Annual Conference and every other year at a special International Construction Projects Committee Retreat that offers an opportunity to get to know other members better and to plan for future activities.
