In January 2023, the Lloyd's Market Association (LMA) updated and replaced a number of its previous cyberwar exclusion clauses concerning the involvement of state-sponsored cyberattacks and other cyber operations. The new LMA Cyber War Exclusions have amended the much-criticised scope of the 'attribution' mechanism of state-sponsored cyberattacks in the previous clauses, and has now focused on 'major detrimental impact' on an impacted state as the main trigger for the new cyber operations exclusions to apply. The session will also review the latest developments in the Merck litigation in New Jersey arising from the NotPetya cyberattack in 2017.

No deductions or withholdings

All fees payable to us by you in accordance with the terms contained in this 'Information' section shall be paid free and clear of all deductions or withholdings whatsoever.

If any deductions or withholdings are required by law to be made from any fees payable to us by you under the terms contained in this 'Information' section you shall pay such sum as will, after the deduction or withholding has been made, leave us with the same amount as we would have been entitled to receive in the absence of any such requirement to make a deduction or withholding.

Conference sell-outs

The IBA places its conferences in venues of a suitable size for each event; however, there are times when our conferences may sell out. Should this happen, prospective delegates will be informed, and a waiting list will operate. The waiting list will function on a 'first come, first served' basis, subject to receiving registered delegate cancellations. The waiting list for a conference will close once it has reached ten per cent of the conference venue capacity, as it is very unlikely a place will become available. The IBA will not be liable for any travel or accommodation expenses incurred by an individual who travels to a conference without a confirmed place at the event.

Promotional literature

Please note that no individual or organisation may display or distribute publicity material or other printed matter during the Conference, unless by prior arrangement with the IBA. Cancellation of registration or social functions

If cancellation is received in writing at the IBA office by 4 April fees will be refunded less a 25 per cent administration charge. Refunds will be made minus any monies owed to the IBA.

We regret that no refunds can be made after this date. Registrations or social function bookings received after 4 April will not be eligible for any refund of fees.

Upon submission of your completed Conference registration form to the IBA you are considered 'registered' pending payment. Please note that the cancellation terms and conditions as indicated will apply as soon as your registration is received.

Provided you have cancelled your registration to attend an IBA Conference in accordance with the terms of the 'cancellation of registration' clause included in the 'Information' section of the relevant Conference programme, you must then confirm to us in writing at the IBA office as soon as possible, but in no event later than one year (12 calendar months) from the date of any such Conference, all necessary details to enable any reimbursement owed to you to be paid. We regret that no refunds will be made after the date that is one year (12 calendar months) after the date of the relevant Conference.

We are unable to dispatch visa invitation letters to support your visa application prior to receipt of your registration form and full payment of registration fees.

Please apply for your visa in good time.

Unauthorised accommodation agents

It has been brought to our attention that there are multiple companies contacting past attendees, claiming to represent the IBA, offering 'assistance' with registration and hotel bookings.

They are operating by cold-calling and spamming companies whose names have appeared on previous List of Participants, Programmes and Sponsorship recognition. The only Accommodation Agent the IBA works with is Judy Lane ICS. Judy Lane ICS do not contact delegates on behalf of the IBA without delegates making initial contact. Please ignore any communication that does not come directly from the IBA or Judy Lane ICS.

Disabled access

The hotel is wheelchair accessible. Please notify us if you require special assistance.

International Bar Association

the global voice of the legal profession

The International Bar Association (IBA), established in 1947, is the world's leading organisation of international legal practitioners, bar associations, law firms and law societies.

The IBA influences the development of international law reform and shapes the future of the legal profession throughout the world. It has a membership of more than 80,000 individual lawyers and more than 190 bar associations and law societies spanning over 170 countries.

Inspired by the vision of the United Nations, the IBA was founded in the same spirit, just before the Universal Declaration of Human Rights was proclaimed in 1948.

The IBA covers all practice areas and professional interests, providing members with access to leading experts and up-to date information, enabling them to better represent their clients' interests.

Through its various committees, fora and task forces, the IBA facilitates the exchange of information and views among its members as to laws, practices and professional responsibilities relating to the practice of law around the globe.

Insurance Committee Overview

Insurance is present in every facet of commercial, industrial and private life. Lawyers practising in many different fields encounter insurance and its problems and can greatly benefit from the knowledge which membership of this Committee provides.

The Committee aims to provide its members, and the Division as a whole, with information about developments in insurance and reinsurance law and markets throughout the world as well as with specialist knowledge to assist in the efficient solution of practical insurance problems. New insurance products are also brought to the attention of members.
