Live delegate search

Delegates are able to use the live delegate search via the IBA website, in order to use this function delegates will need to be logged into their MyIBA. This will allow search access to up-to-date attendance lists.

The IBA, its officers and staff accept no responsibility for any views expressed, presentations or materials produced by delegates or speakers at the Conference.

The organisers may at any time, with or without giving notice, in their absolute discretion and without giving any reason, cancel or postpone the Conference, change its venue or any of the other published particulars, or withdraw any invitation to attend. In any case, neither the organisers nor any of their officers, employees, agents, members or representatives shall be liable for any loss, liability, damage or expense suffered or incurred by any person, nor will they return any money paid to them in connection with the Conference unless they are satisfied not only that the money in question remains under their control but also that the person who paid it has been unfairly prejudiced (as to which, decision shall be in their sole and unfettered discretion and, when announced, final and conclusive).

Continuing Professional Development/Continuing Legal Education

For Conference delegates from jurisdictions where CPD/CLE is mandatory, the IBA will provide a Certificate of Attendance for the Conference. Subject to CPD/CLE requirements, Conference delegates can use this to obtain the relevant number of hours' accreditation. The number of CPD/CLE hours available may vary depending on the rules applied by the members' bar association/law society on time recording criteria.

A Certificate of Attendance is available to Conference delegates on request. Please ask at the IBA Conference registration desk for information on how to obtain the certificate.

Registration confirmation

Upon receipt of your payment for the Conference a confirmation email will be sent to you which contains information regarding your attendance at the Conference. You will also be able to view and download your payment information and manage your registration via your My IBA profile on the IBA website.

Book with confidence

- If the IBA needs to reschedule the event, your registration will be automatically transferred to the new date and no additional fees will be charged. If this date is not convenient for a delegate, a refund of the cost of the conference place will be available on request to the IBA.
- If the IBA is unable to reschedule the conference within 12 months of the original scheduled date, a full refund of the cost of the conference place will automatically be made to all delegates.
- Please note that the IBA will not provide refunds for any other costs incurred including any travel costs.

Please note, these terms are subject to any more restrictive or different local requirements and may be altered and amended from time to time to reflect any changes to restrictions or government requirements.

Photography and filming

Certain sessions and/or social functions may be photographed and/or filmed and some of this content may be used for future IBA marketing materials, member communications, products or services. Should you have any concerns with regard to this, or do not wish to be featured in any of these materials please contact the IBA Marketing Department at ibamarketing@int-bar.org.

Promotional literature

Please note that no individual or organisation may display or distribute publicity material or other printed matter during the Conference, unless by prior arrangement with the IBA. Organisations and companies wishing to discuss promotional opportunities should contact the IBA Sponsorship Department at sponsorship@int-bar.org.

Conference sell-outs

The IBA places its conferences in venues of a suitable size for each event; however, there are times when our conferences may sell out. Should this happen, prospective delegates will be informed and a waiting list will operate. The waiting list will function on a 'first come, first served' basis, subject to receiving registered delegate cancellations. The waiting list for a conference will close once it has reached ten per cent of the conference venue capacity, as it is very unlikely a place will become available. The IBA will not be liable for any travel or accommodation expenses incurred by an individual who travels to a conference without a confirmed place at the event.

Cancellation of registration or social functions

If cancellation is received in writing at the IBA office by **26 July 2024**, fees will be refunded less a 25 per cent administration charge. Refunds will be made minus any monies owed to the IBA.

We regret that no refunds can be made after this date. Registrations or social function bookings received after **26 July 2024** will not be eligible for any refund of fees. Please note that the IBA will however offer a full refund if you are required to cancel your registration due to Covid related reasons; we will require written confirmation of your cancellation by the end of business on the first day of the conference.

Should you have difficulties in obtaining your visa and are not able to attend the Conference this cancellation policy will still apply.

Upon submission of your completed Conference registration form to the IBA you are considered 'registered' pending payment. Please note that the cancellation terms and conditions as indicated will apply as soon as your registration is received.

Registration forms received without proof of payment will **NOT** be processed until proof of payment has been received.

International Bar Association

the global voice of the legal profession

About the IBA

The International Bar Association (IBA), established in 1947, is the world's leading organisation of international legal practitioners, bar associations, law firms and law societies.

The IBA influences the development of international law reform and shapes the future of the legal profession throughout the world. It has a membership of more than 80,000 individual lawyers and more than 190 bar associations and law societies spanning over 170 countries.

Inspired by the vision of the United Nations, the IBA was founded in the same spirit, just before the Universal Declaration of Human Rights was proclaimed in 1948.

The IBA covers all practice areas and professional interests, providing members with access to leading experts and up-to date information, enabling them to better represent their clients' interests.

Through its various committees, fora, and task forces, the IBA facilitates the exchange of information and views among its members as to laws, practices and professional responsibilities relating to the practice of law around the globe.

IBA Asia Pacific Regional Forum

In addition to offering an unrivalled opportunity to establish contact among lawyers within and outside the region, and with acknowledged experts on different areas of law, specialist Forum activities provide an unparalleled opportunity to keep abreast of legal business developments in the region. Members also benefit from excellent working relations with national Bars, the Inter-Pacific Bar Association and LAWASIA.

For more information please visit the [Asia Pacific Regional Forum home page](#).

IBA Arbitration Committee

The IBA Arbitration Committee focuses on laws, practice and procedures relating to the arbitration of transnational disputes. Through its conferences, publications and projects, the Committee seeks to share information about international arbitration, promote its use and improve its effectiveness.

Become a member of the Committee to benefit from networking opportunities, the opportunity to read and write IBA publications and discounts on conferences and webinars. You can also get involved with the work of the Committee.

For more information please visit the [Arbitration Committee home page](#).

IBA Litigation Committee

The Litigation Committee focuses on the legal, practical and procedural issues involved in conducting litigation. Differences and developments in individual jurisdictions are compared. The issues arising in international litigation receive particular attention, including issues such as jurisdiction, choice of law, and the role of international judicial assistance in dispute resolution. Practitioners involved in larger scale or international litigation can debate topical issues and share their experiences of handling and solving the problems arising from such disputes. In particular, the committee seeks to explore the differences of approach between the common law and civil law traditions, and to encourage a dialogue between practitioners from these two systems.

For more information please visit the [Litigation Committee home page](#).
