How does tech impact ESG?

Sustainability

A row of incandescent light bulbs is shown on a wooden surface. The bulbs are arranged in a line, with the one in the foreground being the most prominent. A blue wireframe graphic, consisting of many thin, curved lines that form a mesh-like structure, is overlaid on the right side of the image, extending from the top right towards the bottom right. The background is dark, and the lighting is warm, highlighting the bulbs and the wood.
